ABOUT FENCE

The Foothills Equestrian Nature Center's mission is to provide facilities and focus for education, recreation and preservation in nature studies and equestrian activities, with the aim of enhancing these endeavors to enrich the quality of life for the community.

FENCE is located on 397 acres of lush countryside four miles from Landrum, South Carolina and five miles from Tryon, North Carolina. Its diverse landscape includes open meadows, gently rolling hills, a 2-1/2 acre Nature Pond, wetlands, and wooded areas for hiking and horseback riding. It also offers a fully equipped Equestrian Center, with lighted showrings and stabling for more than 300 horses, as well as a cross-country course.

FENCE operates as a 501(c)(3) charitable institution. It is governed by an experienced and dedicated Board of Directors who serve three-year terms without compensation.

The Perfect Setting for a Wedding, Reception or Party

Our 397 acres offer a beautiful setting for any social or business function, from intimate gatherings to gala affairs. Located in the heart of Tryon's Old Hunting Country, FENCE provides the kind of setting your guests will remember always.

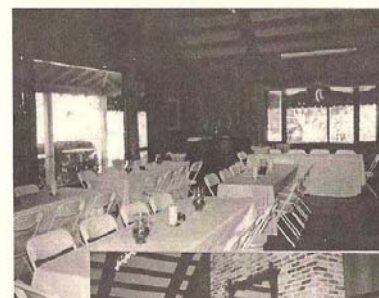

The entrance to our main building, the FENCE Center, offers creative possibilities for welcoming your guests. The steps lead to an attractive lobby and The Great Room, with its wooden plank floors, beamed ceiling and working fireplace. A food preparation area is just steps away.

For outdoor gatherings, you can surround your guests with spectacular mountain views from the top of Hawk Ridge; or provide a rustic setting at our historic Log Cabin and its adjacent butterfly and herb gardens. Our two-and-a-half acre Nature Pond offers a wooden pavilion and boardwalk for your guests to enjoy.

The Great Room has been a favorite gathering place for years. In warm weather, guests can step out to a covered, wrap-around porch leading to a pavilion that's perfect for dancing. In chillier weather, the fireplace adds a warm glow to your affair. Just steps away is a complete kitchen for food preparation.
